We'll be inspecting the facility this Thursday and will decide afterwards whether we'll need to issue a 308. I'm guessing yes. Either way, I just talked to my supervisor, and he thinks it would be best to keep them separate.

Hi Ray,

FYI. Attached is a draft of the 308 information request that we are preparing to send to ArcelorMittal concerning issues at the Indiana Harbor West facility.

Will you be preparing an information request also, or want to do a joint request?

Ellen

Hi Naeha,

I am attaching the draft 308 for the SPCC/FRP issues at the Indiana Harbor West facility at ArcelorMittal. (I did send a copy to Mike Beslow to see if he had anything he wanted to add.) After you have had a chance to review, let me know if there are any further questions.

Thanks,

Ellen
